THE PERFECT WEDDING VENUE

NEAR LEYBURN - NORTH YORKSHIRE

Your Wedding

AT BOLTON CASTLE

Set amidst the breath-taking beauty of the Yorkshire Dales, Bolton Castle is a magnificent symbol of longevity which has withstood the test of time. Built on strong foundations, it has survived in a challenging and ever changing world.

Whether you are looking for a small ceremony, a full wedding or a marquee, we, at this award winning venue, are committed to ensuring everything is perfect for your special day.

Imagine arriving through the impressive archway under the portcullis into the stunning cobbled courtyard of the Castle. You will be following in the footsteps of Royalty and you will be the King and Queen of Bolton Castle for the day.

Imagine marrying in a beautiful candle lit room in the Castle with a Barn Owl quietly flying down the aisle to deliver your wedding rings. Your guests can be entertained by our falconry or archery display as you have your photographs taken in the beautiful backdrop of the castle and its grounds.

Release two or ten Doves to symbolise your everlasting love for each other before you and your guests proceed with the day of celebrations in the magnificent Great Chamber.

We are licensed to hold civil ceremonies and partnerships on site and can cater for up to 120 guests for the ceremony and reception and up to an additional 120 guests for the evening. We also have space in our beautiful grounds for a marquee to seat up to 250 guests.

For your catering needs we have a list of companies who we can recommend. You can also source and use your own suppliers if you prefer to do so.

We will provide, if required:

- Registrars table
- White linen (tablecloths & napkins)
- Lime washed chiavari chairs
- A choice of round (seat 8-10 people) or rectangular (seats 6 people) banqueting tables
- Cake table
- A roaring log fire
- Braziers, if requested

All the access to the venue and the communication with the suppliers made our day run seamlessly. I would not hesitate to recommend this venue and its staff a million times over. A magical venue

“We immediately felt Bolton Castle was the right venue for us as soon as we visited. The history and ambience of the castle speak for themselves, and it was a truly magical venue for our day. The team were extremely responsive, helpful and flexible from our first visit, right up until the days before the wedding. They were very helpful in ironing out any hitches or logistical challenges along the way. Couldn't recommend highly enough.”

“

From start to finish no words can describe the experience we had working with Bolton Castle. Jacqui and her team do the castle proud. They turned our special day into a magical experience.
